REFER A FRIEND PROGRAM

Many of our new campers and visiting families tell us that our currently enrolled families have had such a wonderful experience here that they "must go see" Camp America. This kind of word of mouth advertising is worth a million print ads to us. Each year we have a limited number of spaces for new campers and we feel our loyal families deserve to benefit from referring other customers to us. This past year, 15 new campers joined us for the summer of 2009 because so many of you recommended us. To thank you for your trust in us and for telling other families about Camp America, we are pleased to offer a special bonus for your efforts again.

How does the referral program work?

1. When talking about camp, suggest that your friends consider Camp America. Tell them to call us at 215-822-6313 and to visit our website at www.camp-america.com.
2. Email us at campamerica@verizon.net with your friend's name, address, phone number, and the name and ages of their children. This step helps us enormously.
3. Remind your friend to list your name on their camper application as the person who referred them to Camp America.

What can you earn?

You will receive **\$100.00** for **each camper that you refer** who registers with us. Your bonus may be applied to your bill for the current season or if you have already paid your bill in full, you may use it as a credit toward the following season.

The Rules

1. The referred camper's name must be sent to us before he/she is registered. Your name also must be listed on their application at the time of registration (not added later).
2. If more than one person refers the same camper, the referral bonus will be divided equally between the referring families. Only two families may refer the same new camper.
3. This program is applicable to new campers only. New campers do not include siblings of currently enrolled families.
4. You may use the bonus for this year's tuition or as a credit toward the following season.
5. If a camper that you referred withdraws from camp before the season begins the referral bonus will be deducted from your account.
6. These rules as listed above are subject to change.
